## Hybrid Coaching Classes

KOTA QUALITY COACHING AB BIJNOR ME

### Interactive Classrooms

Our smartboard enabled classrooms ensure two way communication between students and teachers for a better in class learning experience

### Practice Questions

Our thought fully designed Learning Practice Papers test the understanding and grasp of topics on a daily basis.

### Daily Doubt Clearing Session

Our daily Doubt clearing sessions or "Masterclass" as we call them are designed to discuss LPP on a daily basis to clarify concepts and formulate the right approach for final exam

### Right Mentoring and Guidance

We believe that the best teacher is one who can inspire his students to scale unimaginable heights. And our qualified faculty prepares our students in same way, with right mix of quality education and right mentoring to guide them towards success
